

Employment Ad: ISC/ECF CHOICES Program Manager

Community Development Center, a nonprofit Agency, is seeking a full-time ISC/ECF CHOICES Program Manager for the Independent Support Coordination (ISC)/Employment & Community First (ECF) CHOICES program. The Program Manager will have direct supervision of Support Coordination Supervisors, staff, and assistants, in two locations – Shelbyville & Columbia. The ISC/ECF Program Manager will be responsible for budget, maintaining program compliance, and operations of the ISC/ECF Program, reporting directly to the Agency Executive Director. Must have a Bachelor's degree. Relevant experience to include supervision of service coordination and/or case management, working with individuals with disabilities, and computer knowledge, including Microsoft Office. Travel is required. Job description available upon request. Please email resume *with cover letter* to HR@cdctn.org
